Sikhs Beliefs:

- * There is Only One God.
- * Equality of mankind.
- * Freedom and Liberty for all.
- * Speaking out against injustice and standing up for the defenseless is considered a Sikh's duty.
- * Condemnation of superstitions and blind rituals.
- * Intoxications such as alcohol, tobacco, and other drugs are strictly forbidden.
- * 'Kirat Karni' – Earning a honest living through hard work.
- * 'Vand Kae Chhakna' – meaning to share with others before partaking yourself. Encompasses the principles of living as an inspiration to others and supporting the community (i.e. giving to charity).
- * 'Naam Japna' - Remembrance and meditation on God.
